

Oak Grove School District 68  
Non Participation Form  
2015-2016

My child/ren, \_\_\_\_\_, will not participate in the 2015-2016 iPad Take Home. I understand that he/she will still have an iPad device for All Day Access in the classroom. I also understand that homework responsibilities, expectations, and assignments will be consistent to that of his/her peers. Homework will be issued and completed in hard copy format.
